ACHIEVEMENTS

Achievements

- Led multiple Lean Six Sigma Green Belt projects; collaborating with logistics, business units, sales, and product planning; reducing process touch points by 90%, improving data accuracy by 28%, automating reports, and generating annual cost savings of \$50 million.
- Developed multiple end of quarter revenue attainment dashboards and presentations for executive level briefing.
- Developed a capacity planning dashboard within a tight two-week deadline that identifies fulfillment risk on the quarterly, weekly, and daily planning horizons; leading to annual cost savings of \$4 million in excess shipping and manufacturing costs.
- Awarded an Executive Spotlight for producing a macro-enabled report and Power BI dashboard that identifies cost saving opportunities by avoiding US tariffs through strategic fulfillment sourcing, amounting to \$2 million in annual cost savings.
